

REGULATION FOR THE ACCESS TO THE FACILITIES

FOR THE IMPLEMENTATION OF THE REGULATION PROTOCOL FOR THE CONTRAST AND CONTAINMENT OF THE SPREAD OF THE COVID-19 VIRUS IN THE FACILITIES OF THE “ANDALO LIFE” PARK.

1. It is mandatory to keep **interpersonal distance** (at least 1 meter) throughout the facility, in the common areas, solarium, locker room, water slide, showers and loft bar.

While **exercising** (Acqua Gym or Hydro Bike) interpersonal distance has to be at least 2 meters

The **facility must be accessed in an orderly way**, in order to avoid gathering (also in the line entry) by keeping a safety distance of at least 1 meter except for:

- a. members of the same household
 - b. cohabitants
 - c. people that based on current provisions are not required to keep the 1 meter distance (this last aspect is related to individual responsibility)
2. we strongly recommend to **book your entrance ticket and other services AcquaPark&SPA ACQUAin online** www.andalo.life
 3. All **clothes and personal items must be stored in a personal bag and the bag in the locker**. Promiscuous use of lockers is not permitted.
ACQUAin provides plastic bags to store your personal belongings.
 4. We strongly recommend to **wash your hands often** especially before and after accessing the facilities, the toilet rooms and solarium area
 5. It is mandatory to **wear a face mask** inside the indoor common areas (reception and changing rooms) and whenever it is not possible to guarantee the 1 meter distance. The mask can be removed ONLY at the access on the pool edge
 6. It is mandatory **to fill in the self declaration** form before accessing the facilities
 7. It is particularly **prohibited to access the facilities if you , or one of your cohabitants, are having fever or symptoms** .In case of occurrence of symptoms or fever you should immediately inform our staff
 8. Inside the facilities and attractions Andalo Life your **body temperature may be measured** and access may be denied to those with a temperature above 37,5°C
 9. **The number of entrances** to the facilities and attractions Andalo Life **are limited**, in particular the maximum capacity of the pools is as follows:
 - a. Sports pool: 36 persons
 - B. Spraypark : 40 persons
 - c. Fun pool : 41 persons
 - d. Jacuzzi: 16 persons
 10. In accordance with the usual rules of hygienic safety in the swimming pool it is recommended to shower using soap throughout the body before accessing.

It is mandatory to wear a cap, it is forbidden to spit, to blow your nose and to pee in the water

Infants have to wear a pool diaper

In compliance with the protocol of the province of Trento, a contact person for Covid is appointed in the Andalo Life Park, whose job is to implement and verify the preventive measures for the containment of the contagion, and who will be able to ensure that people comply with the behavioral norms and dispositions contained in the regulation
