

REGULATION FOR THE ACCESS TO THE FACILITIES

FOR THE IMPLEMENTATION OF THE REGULATION PROTOCOL FOR THE CONTRAST AND CONTAINMENT OF THE SPREAD OF THE COVID-19 VIRUS IN THE FACILITIES OF THE “ANDALO LIFE” PARK.

1. It is mandatory to keep **interpersonal distance** (at least 1 meter) in all facilities and attractions at Andalo Life. If exercising sports the distance to keep during the **activity** has to be at least 2 meters
2. It is mandatory to **wear a mask** inside all Andalo Life facilities, while practicing sports this is not required
3. We recommend you to **wash your hands often** particularly before and after accessing the facilities, attractions, public toilets and ticket offices
4. **The facilities must be accessed in a orderly way**, in order to avoid gatherings keep a safety distance of at least 1 meter between one another except for:
 - a. members of the same household
 - b. cohabitants
 - c. people that based on current provisions are not required to keep the 1 meter distance (this last aspect is related to individual responsibility)
5. Gatherings are forbidden. In **all areas dedicated to children** access must be in the presence of a parent
6. The **number of entrances** to the facilities and attractions Andalo Life are **limited** in particular only 1 companion per paying child allowed
7. We strongly **recommend to book online** for all Andalo Life facilities www.andalolife.it
8. It is mandatory to **fill in the self declaration** form before accessing the facilities
9. It is particularly **prohibited to access the facilities if you, or one of your cohabitants, are having fever or symptoms**. In case of occurrence of symptoms or fever you should immediately inform our staff
10. Inside the facilities and attractions Andalo Life your **body temperature may be measured** and access may be denied to those with a temperature above 37,5°C
11. In order to avoid crossings of people at the winter park **access** must be from the northern turnstile and **exit** from the southern turnstile
12. At the cross country center no entrance allowed to **locker rooms**

In compliance with the protocol of the province of Trento, a **contact person for Covid** is appointed in the Andalo Life Park, whose job is to implement and verify the preventive measures for the containment of the contagion, and who will be able to ensure that people comply with the behavioral norms and dispositions contained in the regulation
